

Wilderness Weddings – Rates

The celebration of your life together begins with the wedding ceremony. We will work with you to make sure your wedding day begins beautifully. It is important to us that you and your guests are comfortable and engaged. All the people that attend your ceremony will understand the love the two of you feel for each other and they will want to share your joy.

The rates listed here take into account more than just the length of time it takes to perform the actual ceremony. Check the Broadwing Adventures – Wilderness Weddings web page at <http://www.broadwingadventures.com/5weddings.html> for resources that will help us work together to make your ceremony special. Phone calls, emails, and personal visits are all available to facilitate the planning process. Thus, the following rates are a range and are based on the time it takes to make the ceremony right for you.

Base level - \$125

For a simple, yet unique ceremony with planning help provided via email and telephone, plus a simple same day rehearsal or pre-ceremony run through.

Standard level - \$175

For a ceremony with most of the traditional elements personalized for the couple and their families. One or two special elements may be included. In general, this level of ceremony requires more detailed planning and entails a greater degree of communication and possibly a meeting in advanced of the wedding date. Same day rehearsal.

Advanced level - \$225

For a more complex ceremony with special elements that require intricate and involved planning with detailed communications. Designing the ceremony will likely require a meeting in advance of the wedding and careful planning and coordination between the minister and the couple. A separate rehearsal is recommended for more complex ceremonies with an additional fee \$50.

Separate rehearsal

Add \$50 to any of the above rates for a rehearsal held on a different day or more than two hours in advance of the ceremony.

Travel

All rates include travel within the Saranac Lake, Lake Placid and Tupper Lake area. Travel outside this area requires a charge of \$0.50 per mile to and from Saranac Lake.
